PROFILE

A software testing professional with 7 years of experience in IT services. Currently pursuing MSc in Computing and I am eager to leverage both industry experience and ongoing academic pursuits to drive innovation and excellence in software testing and development.

SKILLS

-Selenium WebDriver	-TestNG	-BDD Cucumber	-Extent Report
-Manual Testing	-Postman	-MySQL	-Java
-Test Automation	-Integration Testing	-Ad-hoc Testing	-Smoke Testing
-Eclipse	-SIT Testing	-Regression Testing	-Test Case Creation
-JIRA	-Maven	-Putty	-Defect Tracking
-Problem-solving	-Agile	-Cross-functional	-Team leadership
-Continuous Learning			

WORK EXPERIENCE

Ernst & Young | Kerala, India

June 2022 to June 2023

Senior, Software Tester

- Performed QA Analysis, test case preparation and test case execution for all sprint stories.
- Implemented test plan, requirement traceability matrix and test summary report.
- Managed end-to-end testing process, from requirement analysis to final delivery of the product.
- Verified integrity between front end and back end using SQL queries.
- Participated in sprint planning sessions, daily stand ups and retrospective meetings as part of Agile practices.
- Coordinated with the internal teams to ensure the quality of products delivered.

Tata Consultancy Services Limited | Kerala, India

Sep 2015 to June 2022

IT Analyst, Software Tester

- Implemented Test Automation Framework using Selenium, Java, TestNG, Apache POI, Extent Reports, Page Object Model and Cucumber, thereby helped the team to reduce the manual testing effort.
- Developed and executed test cases in postman for Api interfaces of the product.
- Executed functional, regression, smoke, sanity and integration testing for all new products.
- Managed test cases and defect tracking using Jira.
- Attended daily scrums and represented the testing team.
- Estimated and coordinated testing activities, ensuring minimal risk and maintaining product quality.
- Mentored junior testing members, provided guidance and support in testing.
- Defined regression test cases for the project and maintained traceability records back to the requirements.
- Utilized Jira to report software issues and monitor their resolution status, verified bugs in new releases.

EDUCATION

MSC Computing

Sept 2023 – Sept 2024

University Of Northampton, Northampton, United Kingdom

Bachelor of Technology, Electrical & Electronics

Sept 2011 – June 2015

Mahatma Gandhi University, Kerala, India
